

Lesson 2 from ASTURIAS

The Three Wise Men

History says that when Jesus was born three Kings visited him “**The Three Wise Men**” riding camels and gave Jesus three presents (gold, frankincense and myrrh). On **January the 5th**, in the afternoon people go to see the parade of the “**Three Wise Men**”.

In the night of the 5th of January the three Wise Men bring presents to the children and on the **6th of January** we normally have lunch with the family.

The typical food is a “**ring-shaped cake**”. Inside the cake there is a small figure and a bean. The person who gets the figure is the king (or queen) of the party will have good luck all year and the person who gets the bean pays for the cake.
