

Everyday 's Life

We have collected different pictures from different situations and put it into a Power Point to give you the insight of the environment of the school.

Watch the movie "Everyday 's Life" with your class.

- Do you have any traditional school activities every year? Ex. Physical education, dance etc.
- Look at your classmates. Are there any similarities or differences between you and others?
- How is the relationship between the students and the teachers at your school?
- What do you do after school?
- What do you do in your break?
