

# Lesson 3 from ASTURIAS

## Lesson of Exconsuraos

### **I. Use the work**

The teacher and students see the presentation. To address aspects:

- (i) historical period of conflict;
- (ii) why originates;
- (iii) those who are the groups in conflict.
- (iv) historical period in which tradition is recovers
- (v) recovered historical aspects;
- (vi) incorporated elements not historical.

### **II. Work can be developed**

Professor in the class you can organize two types of activities.

- First:

Search the city, region or country an event of the same historical period to be held today.

- Second:

Students worked some aspects that have been in our presentation.
